WELCOME TO THE LEAGUE

The South Australian Amateur Soccer League Inc. (SAASL) is the major organizational body for non-professional soccer in South Australia and is the state's largest management body for senior level amateur soccer.

Structure

The League is an autonomous body, comprised of its member clubs each of which has equal voting rights in the affairs of the League.

Responsibility for the overall control of the League is vested in the hands of a Management Committee, elected by the body of member clubs at the annual general meeting.

The Management Committee comprises the President, Vice-President, General Secretary and six committee people. All officials and members of the Management Committee serve in an honorary capacity.

The League is headquartered in its own complex situated at the corner of Military Road and Trimmer Parade at Grange.

Member Clubs

Member clubs have various origins. Many of the longest standing members have their origins as factory-based teams, others originate from various sporting or social clubs, many of which represent immigrant groups. Community-based clubs are becoming more numerous. Other clubs arise from the growth of senior ranks or former junior league clubs.

Our History

In early 1965, eight factory-based teams gathered to kick-off their first season of organized soccer. This was the birth of the "Sunday Industrial League". It changed its name to become the South Australian Amateur Soccer League the following year.

New clubs came to join the founding eight clubs, and the fledgling League soon grew to become a major force in South Australian soccer. Many firsts were to follow as the League followed a policy of growth and new initiatives.

In 1978 the League established its own referees' body. It was a founder member of the national amateur body. It commenced its own radio programme in 1983. It instituted a summer competition, established a Saturday competition in 1984 and introduced a telephone results service.

The Future

From its inception in 1965, steady growth has been the pattern of the League's development.

The SAASL is well prepared for the challenge of the dramatic increase in player and club members and is well able to extend its current excellent level of service in order to accommodate them. Already the League has clubs and administers competition in outer suburban and country districts from Port Pirie in the North, Murray Bridge in the East and Victor Harbour in the South.

The Competition

The League conducts a number of competitions for its member clubs to contest. Currently all matches are scheduled for Sundays and Saturday afternoons

The League Championship:

The cornerstone of the League's competition is the League Championship Season, commencing usually in the first week of April and running through to late September.

The competition in divided into Saturday and Sunday sections. The divisions are graded according to playing strength into divisions 1, 2, 3, 4, etc. Teams in each division compete on a home and away basis, with three points for a win and one for a draw. The leading team at

season's end is declared the champion for that division. A system of promotion and relegation exists between the divisions.

Challenge and Reserve Cup Competitions:

These are conducted through the year with all League teams being involved. The Challenge Cup is for senior (first) teams, and the Reserve Cup is for reserve teams.

The competition is conducted on a knockout basis, with the losers being eliminated and the winners proceeding to the next round. Matches are by random draw. This process culminates in Cup Finals, which are held as a prestige event, the Cup Final Day, generally on the last Sunday in September.

Future Aims

The aims of the League are clear.

They are:

- To provide, for amateur players, a competition run to the highest standard, without limitation as to age, race, religion or location throughout the State of South Australia.
- To improve the publicity of, and public perception of, amateur soccer, so as to foster the continued prosperity of the sport throughout South Australia.
- To encourage and assist new clubs wishing to participate in organized amateur soccer competition.
- To provide for the benefit of amateur soccer in South Australia, a strong, united voice within the hierarchy of soccer administration in this country.
- To do all these things whilst having regard for the amateur nature of its membership, and therefore keeping club costs at the lowest possible level.

FFA/FFSA Affiliation From 2018

In October 2017, the SAASL Clubs voted in favour of affiliation to the Football Federation Australia and the Football Federation South Australia.

The affiliation provides all clubs with greater opportunities such as involvement in the Westfield FFA Cup Qualifying Rounds, access to funding, increased access to registration and competition management services as well as improved and consistent collaboration between competitions from a regulatory perspective.

The Football Federation SA (FFSA) President, Sam Ciccarello and South Australian Amateur Soccer League (SAASL) President, Bill Bailey formally signed a three year affiliation agreement on Wednesday 6 December 2017. Both parties look forward to strengthening the relationship to ensure the growth and development of the game in South Australia.

SAASRA History

SAASRA was formed in May 1978. The Association's two primary objectives are to provide referees for fixtures played in the SA Amateur Soccer League and to promote the interests of football referees. The Association also provides referees for some schools competitions.

At its inception the Association consisted of about 20 members. It held its first meeting at the Black Lion Hotel located adjacent to Hindmarsh Stadium. The inaugural management committee of the Association comprised Bob Armstrong (President), George Turner (Secretary), Bill Graham, Zoran Kalocsia and Harry Sime. Ian Gossland of the SA Amateur Soccer League was the ex-officio.

In October 1984 the Association became an incorporated body under the provisions of the Associations Incorporation Act 1956. The President at the time was Norm Gorringe and the first public officer was (John) Gordon Gosnold.

Eleven members have been elected as President of the Association in its history. These are Bob Armstrong (1978-79), Harry Sime (1979-81), Bill Graham (1982), Norm Gorringe (1983-87), Ron Rock (1988), Glynn Cawthorne (1989-96, 1999), David Brandon (1997-98), Brian Lethbridge (2000-07), Andrew Leedham (2008-2011) and Steve Craggs (2012-2016). Andrew Haynes is the current President and was first elected in 2017.

During its history, the Association has acknowledged the exceptional services of 17 of its members by awarding Life Membership. These are George Turner, Ron Rock, John Sanderson, Norm Gorringe, Derek Padbury, Jim Johnston, Brian Lethbridge, Bob Braithwaite, Glynn Cawthorne, David Keniwell, Ron Pannell, Andrew Leedham, John Hinks, David Brandon, Keith Bale, Jim Sprialis and Nick Villios. Many of these Life Members are still actively involved in the Association where they have each provided over 20 years of continuous service. Special mention also needs to be made of Andrew Leedham's leadership during his lengthy period as Secretary and President of the Association. He put in place constitutional and governance structures that still today remain a lasting legacy of the high professional standards in the daily operations of the Association.

SAASRA web site - www.saasra.org

The SAASRA web site has a range of features which are of benefit to not only the Association's members but to the wider amateur soccer community. The Association welcomes engagement with community and the website has in place a range of communication channels and resources to promote better understandings with clubs.

STARCLUB

CLUB DEVELOPMENT PROGRAM

The South Australian Amateur Soccer League has adopted the STARCLUB Club Development Program.

A STARCLUB is a well-run club where quality coaches and officials work alongside valued volunteers in a safe and welcoming environment.

STARCLUB is an initiative of the South Australian Office for Recreation and Sport and is all about continuous improvement and ongoing development.

Measure your club against the STARCLUB criteria and get information and support to continue the development of your club to provide the best environment possible for your members and the wider community.

For more information visit www.recsport.sa.gov.au/starclub or phone the South Australian Amateur Soccer League on 8353 7355.

COLOURED SHIRT PROGRAM

The aim of the Coloured Shirt Program is to make all beginner or inexperienced officials easily recognisable therefore educating all participants (including players and spectators) to understand the demands, pressures and support needs of beginner officials. The program aims to increase retention, value and appreciation of all officials.

The Coloured Shirt Program is based on the successful SANFL "red shirt" program that was introduced to address the issue of umpire retention at the grass roots level.

Our new officials wear green shirts. Please support and respect them through your positive sideline behaviour.

If you see officials and umpires wearing the green shirt, then it's important for you to know they are beginners. As with any learner, they may make mistakes.

Sports provide mentoring and support to the new official and promote and raise awareness of the program and its aims.

Without officials, sport would not survive, so it is up to the clubs and associations of each sport to build a positive culture of support for officials.
